PRIVILEGE 640

“FEEL SO GOOD”

Definitive Technical Specification
Last Update September 2026

1. General

Builder	Privilege
Model	640
Year	2022
Vessel Name	FEEL SO GOOD
Type	Bluewater sailing catamaran
Naval Architect	Marc Lombard
Interior Design	Franck Darnet Design
Hull Material	Composite
Flag	Malta
Configuration	Owner's Version - 4 cabins / 4 en-suite heads
Usage	Private use; never chartered
Maintenance	Professionally crewed and continuously maintained

2. Dimensions & Hull

Length Overall (LOA)	21.25 m
Hull Length	19.50 m
Waterline Length	19.30 m
Beam	9.20 m
Draft - Builder Certificate	1.85 m
Maximum Draught - CE Certificate	2.15 m
Full-load Displacement	Approx. 37 t
Dry Weight	Approx. 28 t
Keel Type	Double keel
Rig Type	Fractional sloop

3. Propulsion & Engineering

- **Engines:** 2 x Yanmar 4LV-195 inboard diesel, 195 HP (143 kW) each; 390 HP combined.
- **Engine hours:** Approx. 2,700 hours per engine.
- **Transmission:** Shaft line.
- **Propellers:** 2 x Maxprop 4-blade feathering propellers.

- **Engine controls:** Morse controls at flybridge, port helm and starboard helm.
- **Fuel filtration:** Turbine-type water-separation filter on each engine and generator.
- **Fuel transfer:** Dedicated transfer pumps.
- **Engine monitoring:** Yanmar engine data integrated into the Raymarine system.

4. Tankage, Plumbing & Water Systems

Tankage

Fuel	2 x 1,250 L aluminium tanks; 2,500 L total
Fresh Water	2 tanks; approx. 650 US gal total
Holding Tanks	2 tanks; approx. 150 US gal total
Grey Water	6 tanks

Plumbing & Water

- Toilets: Fresh-water flush WCs.
- Holding system: Holding tanks with pumps and electronic monitoring.
- Pressure pumps: 2 x freshwater autoclave pumps.

Washdown: Sea-water and fresh-water washdown for cockpit and windlass.

- Main watermaker: Approx. 480 L/h, 220 V.
- Secondary watermaker: Approx. 80 L/h, 24 V.
- Sterilisation: UV system for water tanks.
- Drinking-water filtration: Antibacterial purifier filter in galley.
- Water transfer: Transfer pump between tanks.
- Water heaters: 2 x 100 L, 220 V boilers.

5. Rig, Sails & Deck Hardware

Rig

- Carbon mast, lacquered white.
- Carbon boom, lacquered white.
- Dyneema running rigging.

Sails - Ullman Sails

- Triradial Hydranet square-top full-batten mainsail.
- Triradial Hydranet genoa.
- Triradial Hydranet staysail.
- Code 0.
- Gennaker.

Winches

- 8 winches total.
- 7 electric and 1 manual.
- Antal aluminium winches.
- 3 winch handles.

Canvas & Exterior Protection

- Fixed flybridge bimini / wheelhouse top.
- Cockpit enclosure - rear and sides.
- Foredeck sun awnings / covers.

6. Anchoring, Mooring & Docking

- Primary anchor: Delta 40 kg with 75 m chain.
- Secondary anchor: Brittany 45 kg with 30 m rode.
- Windlasses: 2 x Lewmar 2,000 W.
- Gangway: 3.20 m carbon, foldable, with stanchions and storage bag.

- Fenders: 5 with protective socks plus 6 rigid fenders.
- Mooring lines: 5.

7. Electrical Power Systems

Generators

- Generators: 2 x Onan Cummins 19 kVA / 19 kW, 230 V / 50 Hz.
- Generator hours: Approx. 1,800 hours each.
- Equipment: Sound covers, water-exhaust separators, auto-start and maintenance kits.

Batteries, Charging & Inverters

- Service bank: 8 x 220 Ah AGM batteries, renewed November 2024.
- Starting batteries: 4 x 75 Ah gel batteries for engines/generators.
- System voltage: 24 V service system; 12 V engine/generator starting systems.
- Battery chargers: 2 x Mastervolt Chargemaster 110 A.
- Inverters: 2 x Mastervolt 4 kW.
- Shore power: 2 dock connections.

Hydrogeneration

- 2 x Watt & Sea 600 hydrogenerators.
- To be reinstalled during the next scheduled haul-out.

8. Steering, Navigation & Electronics

Steering & Autopilot

- Hydraulic steering.
- Dual autopilot hydraulic pumps.
- Autopilot control from 3 stations.
- Wireless autopilot remote.
- 3 x Raymarine i70 multifunction displays.

Chart Table

- Raymarine Axiom 15.6 in multifunction display.
- Raymarine Axiom 18.5 in multifunction display.
- Raymarine Ray90 fixed VHF.
- Furuno GPS as independent backup.
- Raymarine Quantum 2 radar.
- Raymarine AIS 700 with splitter.
- McMurdo G8 EPIRB.

Flybridge

- Raymarine Axiom 15.6 in multifunction display.
- Raymarine Axiom 18.5 in multifunction display with remote keypad.
- Yanmar engine interfaces.
- Autopilot and i70 display.
- Compass.

Additional Electronics

- Ecomax radar reflector on spreaders.
- 1 x Icom IC-M93D handheld DSC VHF.
- 2 x Icom IC-M94D handheld DSC VHF.
- Megaphone on mast.
- iPad integration capability.

9. Climate, Comfort & Entertainment

Climate & Ventilation

- Webasto V-Series air-conditioning system, approx. 77,000 BTU.
- Fan-coil distribution system.
- 8 ventilation fans.

Lighting & Power

- Courtesy lighting throughout deck and interior.
- 4 multicolour underwater lights at stern.
- 220 V and USB outlets throughout.

Entertainment

- 55 in television in saloon.
- Fusion Apollo RA770 home-theatre system.
- Fusion Hi-Fi in each cabin.
- 500 W amplified stereo system in cockpit and flybridge.

10. Galley & Domestic Equipment

Galley

- Stainless-steel refrigerator.
- Built-in Miele dishwasher.
- Built-in oven.
- 4-burner stove.
- Siemens extractor hood.
- Gas-leak sensor with alarm and solenoid valve.

Refrigeration

- 2 refrigerators in starboard hull.
- 2 x Liebherr stainless-steel freezers.
- 1 additional large freezer.
- Vitrofrigo stainless-steel ice maker in cockpit, approx. 5 kg/h.

Laundry

- Miele washing machine, 8 kg, front-loading.
- Miele dryer, 7 kg, front-loading.

11. Accommodation

Owner's Suite - Port Hull

- Large centred double berth.
- Dressing area.
- Private en-suite bathroom.
- Separate shower.

Guest Accommodation

- 2 aft guest cabins.
- One guest cabin with an additional folding single berth.
- Each cabin with private shower and electric WC.

Crew Accommodation

- Dedicated crew cabin with double berth.
- Additional single berth in starboard forepeak.
- Extensive storage.

12. Tenders, Davits & Water Sports

Main Tender

- AB 460 aluminium-bottom tender.
- Central console.
- Yamaha 40 HP outboard.

Second Tender

- Additional tender.
- Yamaha 15 HP outboard.

Davits

- Twin tender davits, approx. 200 kg capacity each.

- Electric operation with remote control.

Diving, Fishing & Leisure

- Bauer Junior diving compressor.
- 4 scuba tanks.
- Diving equipment.
- 4 fishing rods.
- Kayak and paddle.

13. Safety Equipment

- Safety equipment for unlimited navigation / 10 persons.
- 12 lifejackets.
- Liferafts onboard.
- McMurdo G8 EPIRB.

14. Deck & Exterior

- Cork-covered cockpit and stern steps.
- Carbon gangway.
- Fixed flybridge protection.
- Cockpit enclosure.
- Foredeck awnings.

15. Spare Parts & Bluewater Redundancy

- Extensive onboard inventory of spare parts.
- Redundant watermaking capability.
- Twin generators.
- Dual autopilot hydraulic pumps.
- Backup Furuno GPS.
- Twin inverters and twin battery chargers.
- Multiple freshwater systems and transfer capability.

16. Scheduled October 2026 Haul-Out

- Replacement of shaft bushings.
- Replacement / conversion of all through-hull fittings and seacocks to Marelon.
- Reinstallation of the 2 x Watt & Sea 600 hydrogenerators.
- Complete washing of sails.
- Replacement of damaged cork decking sections.

Note: Hours are approximate and subject to change with use. This specification is compiled from the vessel's current technical records and updated onboard information and is intended as a comprehensive technical summary.

DISCLAIMER

The particulars, specifications, inventory and descriptions contained herein are provided in good faith and are intended solely as a general description of the vessel. They have been compiled from information supplied by the owner, captain, vessel records, manufacturers' documentation and observations made during our inspection of the vessel.

While reasonable care has been taken in preparing this specification, Bracco Yachts is acting solely as yacht broker and not as marine surveyor, naval architect, engineer or technical inspector. No representation or warranty, express or implied, is made as to the accuracy or completeness of the information provided, the condition of the vessel, or the operation, serviceability or remaining life of any machinery, equipment, system or component listed herein. The presence of an item in this specification or inventory should not be construed as confirmation that it has been independently tested or that it is fully operational.

These particulars do not constitute part of any contract, offer, representation or warranty. Neither the broker nor its representatives shall be liable for any error, omission, inaccuracy, equipment failure or discrepancy discovered before or after the sale, except to the extent that such liability cannot lawfully be excluded.

The vessel is offered subject to prior sale, price change, inventory change or withdrawal from the market without notice.
